

## Mill Pond School Report Card

The school report card is based on 2005-2006 baseline data and should not be compared to any data from the 1999-2005 MEA. New achievement standards were set in 2005-2006.

The data includes results from all students with disabilities as defined under the Individuals with Disabilities Education Act, including results from alternate assessments. This report does not include results from the students covered under section 504 of the Rehabilitation Act of 1973.

When viewing our school's report card please use the following icon table.

# - The percentage of students meeting the standard is included in the percentage of students exceeding the standard.

N/A - We do not presently have a population of this subgroup.

\*\* - Our population of this particular subgroup is too small to include the data.
